# YOU'LL BE THE JUDGE

When you collaborate with **EXTRA**, you not only benefit from motivated personnel but also from our many other **EXTRA**'s to make your event an unforgettable success.

**EXTRA** employs an app through which your request immediately catches the attention of a large group of selected students, who can promptly sign up to work. After the assignment, as the client, you can evaluate each student based on their performance.

## HOW EXTRA DELIVERS EXTRA MOTIVATED PERSONEL

**EXTRA** is the Launching Partner of ABN AMRO Payday. With this, every student gets paid on the same day, which is highly motivating. But **EXTRA** wouldn't be **EXTRA** without wanting to **EXTRA** motivate the students. Each student can earn **EXTRA** points by working many hours and receiving good evaluations from the client.

These earned points can be exchanged for many exciting extras, such as AirPods, Swapfiets, or fitness subscriptions.
